

FLOATING SHELVES

Clean, simple and minimalistic are among the best descriptions for our floating shelves. They compliment a variety of design styles and tastes with their light and open appeal. Enhance any design by adding focus to what's on the shelves, and not just the shelf.

Shelves are constructed of high quality, paintable MDF. They are easy to install using the Richelieu TRIADE concealed mounting brackets. Our 10" deep floating shelves are strong and durable for a variety of applications.

Shelf depths	Shelf lengths	Shelf heights
8"	24" minimum	1.5" (standard)
10" (standard)	72" maximum	Custom heights available for upcharge
12"	Order lengths in 1/8" increments	

- Available in raw MDF, primed for painting or fully finished in one of our standard paint offerings
- Load capacity — up to 10 pounds of weight per running foot of shelf length (e.g. 24" shelf can hold up to 20 lbs.)
- Fully customized floating shelves can be fabricated. Please contact us for details
